Lorena Abreu is a Dominican-American bilingual digital creator, stunt performer, parkour athlete, and cosplayer known for blending her high-level movement and athleticism with immersive storytelling. With a background in musical theater, martial arts, and athletic performance, Lorena has carved a unique space in entertainment through her stunt work on major productions like Doctor Strange in the Multiverse of Madness, as well as her viral collaborations with brands including Genshin Impact, Assassin's Creed, and Crocs x Dragon Ball. Lorena continues to inspire her global audience by fusing fandom, physicality, and fearless creativity across film, gaming, and anime culture.
